

Delivery instructions – Sainsbury Gate, by the Sultan Nazrin Shah Centre

The gates (grey double doors, with the number 3 in the top corner) is highlighted in yellow on the map above. These gates can be accessed from Worcester Place (also highlighted in yellow).

These gates need to be opened manually. Please ask your driver to ring 01865 278300 (Porter's Lodge) when they are at the gates. The Porter's Lodge will then direct the call to the necessary Conference Team member and they can then open the gates for you.

There is a stretch of tarmac on the other side of the gates for the driver to park on. It is important that they do not drive onto the cobblestones, and only remain on the tarmac. *NB: this may mean that the driver has to reverse through the gates in order to unload.*

This is only a delivery point and once unloaded the vehicle then needs to leave.
